

Community Leadership Program

Overview

2019

This program aims to:

- Build the confidence, capabilities and networks of people in the South Burnett to lead themselves and others to prosperity and resilience; and
- Strengthen the viability and sustainability of businesses, organisations, communities and industries

Participants who apply what they have learnt from the program will have:

- Improved knowledge of themselves, each other and the ability to share personal strengths for the common good;
- Improved ability to influence positive change in themselves, their families, communities, businesses and industries;
- Improved ability to work with others;
- Greater capacity for self-reliance, including the capacity to be proactive and approach change positively after analysing its implications;
- Greater confidence and courage to act;
- Improved relationships across the region, with shared trust, knowledge and processes to collaborate effectively on existing and new initiatives.
